1 year of experience in 3D design and fabrication with a strong focus on creative expression. Capable of efficiently managing workflow, navigating a fast-paced environment, and providing excellent customer service. I am looking to expand my prospects and apply these skills in an environment that better suits my career interests.

EDUCATION

*California State Polytechnic University, Pomona -
Bachelor of Science, Kinesiology*

August 2021 - May 2025

Relevant coursework: Foundations in 3D Design, Model Shop
Certification

EXPERIENCE

*Independent Art Show, International Waters LA -
Artist and Co-coordinator July, 2025*

- Coordinated a pop-up art show involving myself and 3 other LA-based, independent artists.
- Promoted the art show through social media
- Communicated with guests to ensure a thoughtful and engaging experience.
- Arranged artworks within the venue space in an organized and engaging manner
- Displayed several pieces and sold handmade prints

Macy's, Glendale, CA - Starbucks Barista October 2022 - October 2023

- Maintained and operated espresso machines, blenders, commercial coffee brewers, coffee pots, and other equipment.
 - Created connections between new and returning customers.
 - Used a POS system to enter orders and process payments accurately.
 - Learned every menu item's preparation and numerous off-label drinks to meet customer needs.
 - Use of stringent food safety procedures to ensure compliance with local law
-
